Friday, April 1, 1949

It's a battle all the way to win the prizes offered the youths of Campbell in the two-month subscription campaign sponsored by the Campbell Press. Shown here are two boys who have entered the race demonstrating what they'll do if they win the two pair of all leather boxing gloves. The gloves are to be awarded to the second place winner. First place winner will ride home on a Columbia streamlined super deluxe bicycle. Third runner-up is to receive a complete archery set. In the picture, left to right are: Billy Holt, Ronnie Pounding, Jackie Allen, Joe Flores, Mel Peterson and Roy Kitredge. Allen and Peterson are putting on the boxing show.

Twenty-Six Vie For First Place In Campaign Race

Twenty-six entrants, and only one of them a girl, are punching doorbells all over town to see who will come out on top of the subscription race during the two-month contest sponsored by the Campbell Press. With the deadline set by campaign manager Joe Anello for May 16, youngsters are beginning to enter the race with all the zest of sure winners.

The Columbia bicycle, a red and cream streamlined bicycle offered as first prize, has just been moved to Accardi's Appliance store on E. Campbell avenue for display. The bike will rotate to various merchants' stores until it is presented to some boy, or girl, on May 16.

Latest entrants in the subscription campaign are Boyd Fair, Stewart Young, Jim Brant, Lauren Walton, Bob Stubbe, John Silberbauer, Harold Matix Jr., and Jerry Robertson.

"The boys and girl who have entered this contest are really working hard," said Anello. "But like all kids they do need the help and cooperation of adults if they are to get ahead. When a child comes for your subscription help him all you can. If you already subscribe to the paper and wish to give the kid a break, renew your subscription. But if you renew be sure to tell the boy so he won't put you down as a new subscriber."

Leading the race as of today is alert Pete Vossler with Leitia Reagle, sole feminine entry, not far behind. Many of the contestants are tied for honors and it is still anybody's race.

Each youngster is paid a 75 cent commission on every \$2.50 subscription he sells. The commission is payable at any time provided the child brings the name and address, together with his receipt book, to the office of the Press when he asks for the commission.

"There are no area restrictions in this contest," said the campaign manager. "The children can go anywhere they wish and knock on any door."

The entrants all have an equal chance to take first place honors, but, the manager explained, they shouldn't wait until May to get out and hustle up subscriptions because the more alert contestants will be too far ahead.

Post Office Man Suffers Stroke

Harold Adams, employee at the Campbell Post Office, suffered a stroke Monday morning while on duty and was taken to a San Jose hospital. He will be in the hospital for at least the remainder of the week according to Postmaster Ira H. Grim. A regular substitute will replace Adams until he can return to his job.

The Campbell Union High school orchestra, under the direction of Frank Triena, played for the members of the Rotary club at the noon meeting Monday. They will again perform for the Kiwanis club April 5.

Rotarians Plan For Anniversary Dinner Tuesday

Rotarians and Rotaryannes will gather at the Hawaiian Gardens Tuesday at 6:30 p.m. for the first annual anniversary party of the Campbell Rotary club. Invitations were extended to the Santa Clara, Los Gatos, and San Jose clubs to join in the celebration.

Because of the dinner there will be no regular meeting of the club Monday, according to secretary Forrest Reese. Guests for the evening will be Mr. and Mrs. G. F. Bacon, district governor representative who aided in organizing the Campbell Rotary club. Also on the guest list will be Mr. and Mrs. Kenneth Hartman.

At the regular Monday meeting of the Rotary club in the IOOF hall Laurence J. Hill, principal of the Campbell Union High school, spoke to the group on musical education of children. The orchestra of the high school presented several musical numbers under the direction of Frank Triena.

Guests of the club included: L. Blakely, Los Gatos; E. T. Meincke, Sunnyvale; L. S. Schaeffer, Willow; Steve Dorsa, Ralph O. Salman, Ed Prande, J. L. Dair, Beverly-Burbank; Mel Duffy, Merritt L. Rice, San Jose; and Ed Weller, Santa Clara. Chairman for the day was Ed Hubert.

Radio Show Gives Mrs. A. Pereira Best-Dressed Title

Mrs. Annamaria Pereira, 386 N. Harrison, was applauded into the title of best dressed and best groomed woman in the radio audience of the Persian room, Sir Francis Drake hotel, in San Francisco Wednesday. The occasion was the daily "Lady Be Beautiful" radio program broadcast over KSFO.

Mrs. Pereira was chosen as one of the three final contestants from the audience watching the show. She, along with two other women, was brought to the stage by announcer Bruce Knox for the final decision. The contestants were chosen by judges scattered throughout the room. Each contestant was applauded by the audience to determine the winner.

"It was quite thrilling," said Mrs. Pereira. "I wasn't expecting such a thing when I went to the city Wednesday. We just happened to drop in on the show by chance." The radio show gave Mrs. Pereira several complimentary gifts from its sponsor, the Beautician association. They also presented her with a huge gardenia corsage for participating in the show.

"Where do you hail from?" the announcer asked Mrs. Pereira.

"Campbell," was the reply. "Campbell soup town?" kidded the announcer.

Mrs. Pereira laughed and repeated "Just Campbell." With no further ado the audience crowned her the best dressed and best groomed of the final contestants, and showered her with awards.

Development Under Way for Campbell

CAMPBELL SHOOT \$1100 OVER GOAL SET BY RED CROSS FOR THIS AREA; CHAIRMAN PRAISES WORKERS

Campbell went \$1100 over the top in the Red Cross March campaign announced Henry Jewell, chairman, yesterday. The drive, which opened February 28, was extended until March 31 because of bad weather. During the drive the people of this area donated \$3110.20 to meet the demands of the \$2000 goal originally called for.

"We are thrilled at the results of the drive in Campbell," said Jewell. "Everyone pitched in and helped. With such enthusiasm and cooperation it was no wonder we far exceeded the goal for our area."

Contributions are still coming in at campaign headquarters in San Jose for this area, said Jewell. However, the official drive was closed last night and all contributions now must be sent in directly to San Jose. Campbell will be credited for any donations that go into San Jose, Jewell remarked, and with late contributions, the total will probably swell to near last year's sum.

"Red Cross total last year was just a few hundred over our present total," said Jewell. "By the time last minute donations are totaled in the next week or so we'll have met last year's figure, I'm sure."

Campbell and its immediate area probably has collected more than any other town its size in this vicinity, the chairman remarked.

"I'd like to thank the many volunteers canvassers who worked so hard to make our drive this year a success," Jewell said. "Everyone deserves a pat on the back for a job well done but especially do I want to thank the leaders who organized and canvassed their clubs for contributions. To such people as Mrs. E. Lamphar, Mrs. Clarence Fagade, Mrs. J. Stevens, Mrs. H. H. Haxleton, Mrs. J. K. Longfellow, Don Lukehart, L. J. Carboni, and Dudley Hershbach I want to say thanks for putting so much personal help and attention into the drive."

The canvassers from Campbell completely covered the area in both rural and business districts, the chairman pointed out. Only a few isolated streets were neglected.

"The Campbell Water company comes in for a round of thanks, too," said Jewell. "They agreed to be the headquarters during the entire campaign. Because contributions came in so irregularly we couldn't maintain a collection agent at the water company full time. Since we couldn't they agreed to take the collections as they came in. This meant a lot of extra work for some very busy people and the Red Cross thanks them for their time and trouble."

"Next year's chairman should have an easy time of it," Jewell said. The people in Campbell are very cooperative. "I enjoyed being the chairman this year. The duties are more or less set up in advance and being chairman isn't a difficult task at all. It was good experience and a good thing. I'm glad I had the opportunity to serve."

Gomes To Serve As Director Of Trustee Group

Joe Gomes, Campbell, was elected unanimously as one of the directors of the newly-formed Santa Clara County School Trustees association at the organizational meeting held last night in the Sainte Claire hotel. Millard E. McCollam, trustee of the Alum Rock Elementary district was elected president. Serving with Gomes as director will be Courtney Tremaine, Los Gatos.

Other officers elected were A. L. Christopher, Morgan Hill trustee, vice-president and M. R. Bookwalter, San Jose school board president, was chosen secretary-treasurer.

The meeting was held in conjunction with the annual County Trustees Institute called by County School Superintendent O. S. Hubbard. Two hundred trustees, superintendents and principals representing every school district in Santa Clara county attended.

Trustees Award School Contracts Totalling \$127,475

Contracts totaling \$127,475 were awarded to contractors Wednesday night for the building of two school additions in Campbell following a meeting of the Board of Trustees of the Campbell Union Elementary school district.

George J. Lauer, Patton avenue, San Jose, was awarded a \$74,600 contract to build an eight-room addition to the Moorpark school. C. F. Parker of San Francisco received the contract to build a six classroom addition to the San Tomas school for a total of \$52,875. Money for the two school projects will come from the local bond issue funds recently passed in this district. Construction will begin immediately.

Other contractors at the opening of bids Wednesday evening were E. A. Hathaway, San Jose; Peter Sartorio, San Francisco; and Earl Emley, Saratoga.

Bids will be called for shortly for a six-room classroom addition to the Campbell Grammar school, according to Superintendent William C. Henley. Financing of this project will be through local bond funds.

Construction is already under way at both the Moorpark and San Tomas school for additional space. This project, however, is being financed by State funds.

Due to Easter vacation, the Board of Trustees of the Campbell Union Elementary school district will meet on April 6 rather than April 13, the regular meeting date, said Henley.

IT'S CIRCUS TIME!

It's still not too late to hustle the family into the car and dash over to the Civic auditorium for the thrill of your lives. Tonight and Saturday 2500 Scouts from all over Santa Clara valley will stage a real Scout three-ring circus.

Campbell Scouts and Cub packs will also participate in the two-day show sponsored by the San Jose Junior Chamber of Commerce under the chairmanship of Bob Tonkin. The show opens at 7:30 p.m.

Members of the San Jose State choir will sing in an assembly at the Campbell Union High school Tuesday, April 5.

COMMITTEE SETS UP CONSTITUTION FOR NEW LOCAL JUNIOR CHAMBER; ROBERTS HEADS GROUP 'TIL JUNE

The constitution and by-laws of the newly formed Campbell Junior Chamber of Commerce were read and revised by the working committee of the embryo group Wednesday night at the home of Robert Brydon, Latimer road. The meeting was the first of its kind called following the election of temporary officers last Friday night.

President of the organization is Kenneth Roberts. Serving with him will be Bud Bachman, vice-president; Edward Lazzarini, secretary; William Hill, treasurer and Monty Cook, financial secretary. Roberts, Campbell service station operator, and other officers, will serve until the organization receives its charter in June. Election of officers was held Friday at Roberts' home on the San Jose-Los Gatos road.

The working committee of the Junior Chamber paved the way for the group's acceptance of the constitution and by-laws. Now the governing rules will be forwarded to the regular meeting of the Jaycees on Friday, April 8, at 8 p.m., at Roberts' home. Serving on the working committee are Bud Bachman, Robert Brydon, William Hill, Edward Lazzarini and Edward McGrath.

Work Begins On New Water Pipe For North Side

Work began yesterday on Campbell avenue for the laying of an eight-inch cast iron pipe water line from the center line of Winchester road, east on the north side of Campbell avenue to the east side of First street. The contract was let to the Associated Engineers of Palo Alto by the Campbell Water company.

"This line is very much needed for the supplying of water to the north side of the Campbell Water company territory," said water company executive Ralph Hyde. "The territory now extends as far as the corner of Payne avenue and San Tomas roads."

The line will be approximately 1500 feet in length. All services on each side of Campbell avenue will be connected to this line, Hyde added.

Moreland Trustee Among Old Timers At School Session

Mrs. George C. Payne, Moreland school trustee, was among the many old timers present for the second annual institute of the County Trustees Association last night in the Hotel St. Claire, San Jose. Mrs. Payne was among the nine trustees who have served more than 20 years for their respective districts.

"Public service records such as these are truly remarkable," said Dr. O. S. Hubbard, superintendent of schools for Santa Clara county. "Particularly in view of the fact that school trustees receive no pay for these long hours of service."

All school trustees, principals, and superintendents were invited to attend the institute. Conrad F. Wedberg, field representative in speech correction, State Department of Education was the main speaker. Dr. Hubbard has called the institute into session.

Changes Date Of Meeting to April 7

Meeting time of the Campbell Union High school PTA has been changed to Thursday, April 7, at 2:15 p.m. in Buc's Cove instead of the regular time, announced Mrs. George Robertson, chairman of the day.

The meeting will feature the installation of officers with Mrs. E. Reynolds serving as the installing officer. Guest speaker of the day, Mrs. J. W. Knowles, will talk to the PTA on "Recreation."

There will be an Executive Board meeting, prior to the regular PTA meeting, at 1:15 p.m. in the office of Principal Laurence J. Hill.

Barbano Subdivision Will Include Two New Streets As Part Of Five Acre Plan

Construction workers broke ground yesterday to cut through two new streets at a cost of \$1600 as a part of the proposed new Barbano subdivision going up at the corner of Campbell avenue and San Jose-Los Gatos road. Ten business lots will be turned over for sale upon the completion of the roads.

Owner of the new district, Ernest Barbano, plans to offer the business lots for sale and eventually will put up several business buildings for rent. New streets being cut through at present will be named Barbano road and Michael drive. Barbano road will run north and south off Campbell avenue near Re's Market while Michael drive will travel east and west off Barbano. Three of the proposed stores will face Campbell avenue and another three or four face San Jose-Los Gatos road.

Re's Market is celebrating its first anniversary today and Saturday. Exactly one year ago today Re's Market, housed in a new building owned by Ernest Barbano, opened its doors to grocery customers. Proprietors of the store are Richard and Ed Lazzarini.

The entire new subdivision being developed by Barbano will cover approximately five acres. Guy Farley, real estate man in Campbell, was appointed by the owner to handle the sale of the 10 lots.

Contractor for the entire project will be Leo Pizzia of San Jose. The streets should be completed by the middle of next week, Barbano said. There will be no sidewalks on either of the new streets.

A two-story building now on the corner of San Jose-Los Gatos road and Campbell avenue, will be moved back to allow frontage for the new stores. The lot behind the building will be paved to allow for a large parking lot to accommodate automobiles of customers who patronize the new business district.

High School Plans Program for Public Schools Week Here

Adult classes will be featured in an entertaining two-hour program planned by the Campbell Union High school as part of the 13th annual California Public School Week April 25 through May 1, according to Principal Laurence J. Hill. Program begins at 8 p.m.

During the program the adult classes will present several folk dances on the stage of the auditorium. In addition the Footlighters, drama group in Campbell, will present a one-act play. The high school orchestra, under the direction of Frank Triena, also will play for the program.

"Prior to the entertainment there will be a dinner held in the school cafeteria," said Hill. "The public will be invited to attend. Proceeds from the dinner will go to the scholarship fund, a special project of the high school's PTA."

On Friday, April 29, the Campbell High school Cadet Corps will stand in review at 11 a.m. on the school's athletic field while high officers from Sacramento look on. This is an annual affair held in connection with Public Schools Week.

"We intend to concentrate our participation in Public Schools Week to the one night's program," said Hill. "However, the school will be open and we'll be happy to receive any parents who would like to inspect the school and the grounds during that week."

The high school held open house earlier in the year for the parents of the schoolchildren. Because of this the April 28 program will be the only feature attraction of the week.

Projects made by adults in the classes at the high school will be on display April 28 along with the program.

The Cadet Corps of the Campbell Union High school entered into rifle competition at a district meet in Santa Cruz.

Campbell People Will Enter Dogs In San Jose Show

Two Campbell residents will enter their dogs in the San Jose Kennel club show April 10 at the Santa Clara County Fairgrounds. Local entries will include the dogs owned by Mrs. Virginia H. Ammon and Mr. and Mrs. L. E. Garcia.

"Velvet and Lace," a Dalmatian, will be Mrs. Ammon's entry. "Velvet" won her championship in a San Francisco Kennel show in February. Another recent winner is "Carlena," a Great Pyrenees, owned by the Garcias, are entered in the local show.

"There will be excellent trophies and prizes," said Mrs. Ammon, a member of the Kennel club from Campbell. "If the weather holds out the show should be a huge success. This is the first time the club has held the show in the Fairgrounds but the place is perfect. Showing arenas will be set up right outdoors."

Campbell Union School district was sent \$57,928.64 by State Controller Thomas H. Kuchel Wednesday. The funds came from the State Allocations Board Funds to be used for school improvements and construction. The money is part of the impoverished school district funds voted by the State Legislature.

Social News of Local Interest

ALICE JOY GOLDER, Women's Page Editor

'Golden Treasures' Musical-Tea Will Be Held April 6 At Methodist Church With Club Members As Hostesses

"Golden Treasures," the Campbell Women's Service club's annual spring Musical and tea, will be held Wednesday, April 6, at the Campbell Methodist church at 1:30 p.m.

In line with the theme "Golden Treasures," keepsakes, things rare, lovely and interesting, antiques and articles to be handed down to future generations, will be displayed. Antique gold frames will be the main decor for the affair. These frames will be used to display the keepsakes as still life pictures. A large 5x6 gold frame with a dark green velvet back drop and a huge floral arrangement will be the background for the program.

The musical program promises to be one of interest and variety. A string quartet composed of Frank Triana and Richard Gordon, violins; Dennis Barrett, viola; and Allen Gove, cello, will be featured. This quartet has been organized last fall and is giving its first public concert in the Montgomery theater April 29.

Mrs. Esther Fowler, harpist, will also be featured. James Van Divier, a tenor soloist from San Jose will sing several selections. He will be accompanied by Mrs. Virginia Rutherford. Organ music will be played during the tea hour.

Tickets for the Musical-Tea may be obtained from any member of the Women's Service club, the What Not shop in Campbell, or by telephoning Mrs. J. M. Dahl, tickets and reservations chairman, at Campbell 3380.

The musical and tea is always one of the outstanding events of the year and Mrs. Raymond Plagg, president of the organization, promises that this one will be long remembered.

Committee chairmen working on the affair are: general chairman, Mrs. Herbert Binley; program, Mrs. L. J. Hill; food, Mrs. Milton Robertson; decorations, Mrs. Arthur Tindall and Mrs. C. L. Ackerman, co-chairmen; keepsakes and treasures, Miss Ruby Howes; tickets and reservations, Mrs. J. M. Dahl; printing, Mrs. Harold Drummond; tables, Mrs. Guy Farley; and major domo, Mrs. Frank Richardson.

Zone Chief Visits Netops Council

Pocahontas Margaret Benton was at her station for the regular meeting of Netops Degree of Pocahontas last Friday evening in the IOOF hall. Zone Chief Marie Cassarang was present at the affair to instruct and make helpful corrections throughout the meeting.

Past Pocahontas Stella Ely of Tawanka Council, Palo Alto, was welcomed as a visitor in the teepee. Escort volunteers were asked to be present at the Roosevelt Junior High school for the Great Inchoonee official visit Thursday night. Sharon Chambers and Sharon Parker, Sr., and Pocahontas Margaret Benton presented the flag for the massing of the colors.

Refreshments were served in the dining room following the meeting. The spring theme and decorations were under the chairmanship of Maxine Van Carnup. Drill practice was held Wednesday evening in the IOOF hall for both the drill team and the escort team. All girls that were on the January escort were there along with the present degree team.

At the April 8 meeting the business session will be shortened so that the box social may begin promptly at 8 p.m.

To Aid Committee For AAUW Show

Four Campbell women are members of the Recent Graduates group of the American Association of University Women who are sponsoring "Fashion Sketches," a benefit fashion show Saturday, April 9, at 2 p.m., at Montalvo. Participating in arrangements are Mesdames Homer Hyde, William Shuey, Norman Stoner and D. L. Beltz.

In charge of the fashion show will be Mrs. George E. Cooper of Saratoga. Proceeds from the show will be turned over to the Campbell Parent Nursery and Saratoga Youth Center.

Spring costumes for activities throughout the day and evening from Town and Country and the Calico Shop in Los Gatos, Peter Pan and Eunice Shaw in San Jose will be modeled by AAUW members and their children. As an added feature, jewelry designed by Mrs. Benjamin Polk of San Francisco will be on display.

Mrs. H. H. Hyde of Campbell and her daughter Kathie will be the models for the show.

Grammar School PTA Executive Board Meets

At a dessert meeting members old and new of the Executive Board, Campbell Grammar school PTA, gathered in the teachers' room in the grammar school Tuesday. Acting as hostesses were outgoing president Mrs. J. R. Longfellow and new president Mrs. L. W. Brown.

Mrs. Longfellow introduced Mrs. Clarence Fagade, president of the El Paraiso Council. Mrs. Fagade urged all the women to attend the next Council meeting April 13.

Mrs. Dorothy Royce, principal of the Campbell Grammar school, was introduced to the gathering. Mrs. Royce reported that the PTA and the California Teachers Association are supporting Bill 2120 now in the state Legislature. The bill calls for additional school funds. The grammar school principal left Wednesday to sit in on the committee hearing of this bill in Sacramento.

The PTA also urged the support of its members on the state recreation bill that will come up in the capital soon.

The new president Mrs. Brown then introduced her officers and chairmen to the PTA members. Mrs. Longfellow, past president, also introduced her past officers and chairmen and thanked them for their performance of duties in the past year.

Next meeting of the PTA will be held in the auditorium in the grammar school and will be highlighted by the installation of officers. Mrs. Ed Reynolds, first vice-president of Sixth District, will act as installing officer. Calvin Roll, music teacher at the grammar school, will talk on music appreciation and demonstrate the auto harp. Richard Gordon, director of the grammar school orchestra, will also speak on music appreciation.

Second grade mothers will act as hostesses for the April 5 meeting.

Campbell Leader, Mrs. Andres Jr. To Attend Confab

Kappa Kappa Gamma convention of Kappa province, which includes California, Arizona and Nevada, will be held in Tucson, Arizona, April 7-9. The conference will be held in the chapter house and will be sponsored by local active and alumnae chapter. Mrs. Eugene C. Andres Jr., is the Campbell Kappa association president.

Presiding at the sessions will be Mrs. Fred Hoar of Sherman Oaks, director of Chapters and Mrs. William E. Betts, Beverly Hills, director of Alumnae. This year's meeting marks the 78th anniversary of the fraternity.

In addition to the round table discussions there will be dinner on Thursday at the Tripolo X ranch on the desert and Friday evening, guests will be entertained at the El Rio Country Club informally, with Dean Hexel McCready as the guest speaker. A Pan Hellenic buffet luncheon and a sightseeing trip about Tucson will precede the closing sessions on Saturday morning.

Mrs. Eugene C. Andres Jr., Campbell representative, and director of Chapters of the San Jose area, will participate in the conference.

Kappa Kappa Gamma fraternity has recently sent over 5000 layettes to the children of Norway and currently are supporting the Dorothy Canfield Fisher project which benefits the children around Bas Meudon, a bombed out section outside of Paris. In addition to these international projects, each alumnae group is actively interested in the fraternity's national and international scholarships and fellowships, besides contributing to innumerable community interests.

Kappa Province includes five active chapters and 36 alumnae clubs and associations.

"Sleeping pills habit forming? Don't be silly. I've been taking them for years."—Tallulah Bankhead.

The CAMPBELL Register

A recent March bride from Campbell was the former Miss Louella Holt who became the bride of Delmar Webb in Reno. The couple now reside on First street in Campbell. At the wedding were the parents of the bride, Mr. and Mrs. Ray Holt of Campbell and the groom's mother Mrs. Ola May Rielly of Campbell. Mr. Holt gave his daughter in marriage.

The new Mrs. Webb has five brothers. Bill, Gene, Jess and Johnny Holt are all of Campbell and another brother Jay Holt of Alvarado, Calif.

Now at home after a month's vacation in Toledo, Ohio is Mrs. Forrest Reese, of White Oak Rd. Mrs. Reese visited her brother-in-law, Clyde Reese. She said the weather in Ohio was mild and the trip very enjoyable.

At home resting after an operation is Mrs. Tom Burnett of Burnett's Appliance store. She is feeling just fine again and is able to see visitors.

PFC Joseph J. Montemagno, son of Mr. and Mrs. Joseph Montemagno, 580 Emory avenue, is a member of the first Cavalry division, now on occupation duty in Japan. PFC Montemagno is now assigned to Headquarters Troop, 1st Squadron, 5th Cavalry Regiment as Troop Information and Education clerk. Montemagno entered the army in January, 1947, and took his basic training at Fort Lewis, Washington. On completion of his training he sailed for overseas duty in May 1947. Prior to his enlistment in the army Montemagno served three years and eight months with the U. S. Navy.

Members of the Campbell Women's Service club met at the home of Mrs. Walter Trask on Willow street in San Jose last week. Co-hostesses with Mrs. Trask were Mrs. Ira Abbott, Mrs. Guy Farley, Miss Winnie Grizzle and Miss Marion Toy. Presiding at the meeting was President Mrs. Raymond Plagg.

Mr. and Mrs. Robert H. MacGowan of Campbell are announcing the engagement of their daughter Marilyn Ruth MacGowan to Stanley Gregoroff of Fresno. The couple are planning a fall wedding. Miss MacGowan is a graduate of La Sierra Academy and both she and her fiancé are attending Pacific Union college. The prospective bridegroom is the son of Mr. and Mrs. M. K. Gregoroff of Fresno.

A social evening was enjoyed last week when the Past Noble Grands of the Rebekah Lodge met at the home of Miss Winnie Grizzle, 151 Campbell avenue. Mrs. Lottie Rice acted as co-hostess with Miss Grizzle for the evening. The women enjoyed bingo and were served refreshments. Guest of honor was Mrs. Jessie Lillingston, District president Mrs. Bonnie Silberbauer was also at the meeting. The women decided to hold their next meeting at the home of Mrs. Lillian Ohlen on April 28. Mrs. Katherine Kilgallen is president of the group.

Laurence J. Lonardo, fireman, USN, son of Mr. and Mrs. Charles Lonardo, 861 West Parr avenue, Campbell, is scheduled to return to San Diego April 25 as a crew member of the destroyer U.S.S. Eversole after an eight month tour of duty in the Far East. Among places visited by the crew have been the atom bomb areas of Nagasaki and Hiroshima.

Rasmus Nielson, a cannery expert from Campbell, departed last Saturday from New York aboard a K.L.M. Royal Dutch Airlines "Flying Dutchman" for Copenhagen, Denmark. Nielson will discuss new cannery methods with Hunt Foods, Inc., during his stay in Copenhagen. He will return to his home, 124 N. Central avenue, sometime in May.

Four Campbell couples have new March additions to their families. Mr. and Mrs. Milton Brown, 841 Steinway, Campbell, have a baby daughter, Linda Karen. At O'Conner March 15 came John Davis, son of Mr. and Mrs. Russell Hamlin Heide, 173 N. Winchester road. And a boy it was too, for Mr. and Mrs. Gustave Schroeder, Steven Paul was born at Community hospital March 23.

It was a little girl for Mr. and Mrs. Vernon Lee Wooley. Her name is Vernette Joy and she was born March 18 at Community Service hospital.

Mr. and Mrs. Howard C. Payne of Campbell have a new son at home. His name is Christopher Clayton and he was born March 7 at O'Conner hospital.

Mr. P. B. Payne has been confined to his bed for almost two weeks now with a severe attack of bronchitis, but is feeling much better now.

Just added to the newlywed list are Mr. and Mrs. Leland Dugan (Aimee Heap) of San Jose. Dugan had just completed his student teaching at Campbell Union High school in the Art department. He will graduate from San Jose State college in June. Classes at the high school bid goodbye to the art instructor and presented him with a lamp as a wedding gift from his students. The couple were married Sunday in the Trinity Episcopal church in San Jose.

Sandra N. Briddon, daughter of Mr. and Mrs. Albert Briddon, celebrated her 11th birthday with a party at her home, 62 south Second street, Wednesday evening. Following dinner, games were played and motion pictures were shown. Attending were Lynne Schaper, Loretta Hammond, Carol Titus, Mary Scharrer, Patricia Baxter and Marilyn Briddon. Mrs. Briddon, assisted by her daughter, Miss Beverly Briddon, were hostesses.

New Moorpark PTA Officers Exchange Ideas

Exchanging new ideas for the coming year and "getting acquainted," the new Moorpark PTA officers and board chairmen met Tuesday for a luncheon at the Club Venue, Mrs. Robert McAdell, outgoing president, presided at the meeting and introduced the following new officers: Mrs. Eugene C. Andres Jr., president; Mrs. Hugh Boyle, vice president; Mrs. Stuart Ralston, secretary; Mrs. Harold Lapogna, treasurer; Mrs. Helen Peterson (teacher) auditor; and Mrs. Robert McAdell, parliamentarian.

The retiring officers are: Mrs. McAdell, president; Mrs. Andres, vice-president; Mrs. Joe Hoshelt, secretary; Mrs. Werner Raab, treasurer; Ben Mabie, auditor; Mrs. C. L. Christian, historian; and Mrs. William Pfeffer, parliamentarian.

Newly appointed board chairmen are: Mrs. Henri Zander, budget and finance; Mrs. M. E. Graham, membership; Mrs. William Walker, publicity; Mrs. James McCarty, magazines; Mrs. Hugh Boyle, program; Mrs. H. E. Womer, refreshments; Mrs. Jack Turner, motion pictures; Mrs. Ordi di Benedetto, study group; Mrs. C. Berry, recreation; Mrs. Melvin Fairbanks, music; Mrs. Robert Ruch, Red Cross; Mrs. Werner Raab, founders' day; Mrs. Vincent German, hospitality; Mrs. Joe Hoshelt, radio; Mrs. Duane Moore, room mother.

The date of the PTA card party has been changed from April 29 to April 30 at the Moorpark school. There will be tables for both whist and bridge.

Mrs. McAdell urged new officers and board members to attend the Sixth District Convention of PTA Monday, April 4, in the Montgomery Theater, Civic auditorium, San Jose. A school or workshop session for section chairmen will meet from 9 a.m. to 12 p.m. A dinner will be held in the Willow Glen Methodist church at 6:30 p.m. Speaker for the evening will be J. Roger Deas, executive secretary of the National Conference of Christians and Jews. His topic is "Home, School—Active Partners."

HEADS SEWING CIRCLE Vivian Johnson was elected president of the Sequoia Sewing Circle last Thursday evening at a meeting held in the home of Mrs. Blanche Gilpatrick. Other officers include Ruth Franzen, vice-president; Leona Countryman, treasurer; and Ruth Livingston, press correspondent.

Next meeting of the Circle will be held Thursday, April 8. Meeting place has not been announced.

Huge Gathering of Rebekahs, Odd Fellows Turn Out To Honor Mrs. Bonnie Silberbauer at Banquet

Friends and lodge associates composing a near capacity crowd of 200 gathered in the IOOF hall Tuesday evening to honor District Deputy President Mrs. Bonnie Silberbauer who will retire from her duties soon. Both Ada Rebekahs and Odd Fellows attended the banquet sponsored by the local Rebekah lodge. Leila Merritt, noble grand, was mistress of ceremonies and Eva Dahl was marshal.

There are nine Rebekah Lodges in this district. Each lodge elects from its ranks a president for the district for one year. Mrs. Silberbauer represented the local Ada lodge and now the honor will revert to the other groups for the next eight years.

Distinguished guests escorted and introduced were Conrad Hale, grand marshal grand encompment; Ida Bruegge, trustee of the Children's Home, Gilroy; Esther Leverton, district deputy president, San Francisco and Robert LaRocca, district deputy grand master of district 20. Each spoke a few words of congratulation to Mrs. Silberbauer for her fine work as president.

Presentations were made to Mrs. Silberbauer by the district lodges and groups of district officers of Ada Past Noble Grands, Fidelis Theta Rho and Mrs. Silberbauer's staff. The staff also presented gifts to Walter Silberbauer, drill captain, and to Mrs. Eva Dahl, staff marshal.

The hall was beautifully decorated with the honored guest's colors, blue and gold. Floral arrangements to give a canopy effect were used throughout. The table at which Mrs. Silberbauer presided was highlighted by a lovely floral centerpiece with blue and gold candles.

Entertainment was provided by little Deanna Stearns who presented two Hawaiian dance interpretations. Jeanette Gomes played several piano selections for the group and the Marge Parker sextette rendered two vocal numbers. The banquet room was the scene of the buffet style dinner which was served to the group by members of the staff.

USE THE CLASSIFIED

Deadline April 10 For Essay Contest On Citizenship

Essays for the American Legion Auxiliary contest must be ready by April 10 announced Mrs. Eva Kaper at a meeting of the American Legion Auxiliary recently. Subject for this year's essay is "Our Responsibility as Citizens."

The contest is open to all high school students with prizes being offered for first, second and third places. Winner will receive \$25, second \$10 and third \$5.

Annual "Poppy Days" for Campbell will be held this year May 27-28 announced Poppy Chairman Mrs. Evabelle Fuller. Plans were also discussed for a Gold Star Tea to be held sometime near Mother's Day in May. In charge of the tea will be Mrs. Ruth O'Brien.

The Auxiliary members voted to donate \$25 to the Red Cross drive in Campbell and \$5 to the Dogs for the Blind, Inc.

Members and their friends will journey to Palo Alto April 12 to

Garden Club Sets New Meet Time

Members of the Campbell Garden Club are asked to meet at 1 p.m. Wednesday, April 6, in the clubroom for a short meeting and installation of officers. The earlier time was called for so that members could attend the Campbell Service Women's Tea in the Campbell Methodist church at 2 p.m.

Several of the women of the Campbell Garden Club entered floral arrangements in the Santa Clara Valley Flower Lovers' club show held Tuesday and Wednesday in the Civic auditorium, San Jose.

give a party for ward 17, Palo Alto Veterans hospital. They will also give a ward party for the women veterans of ward 7. Slippers, a project the Legion women have been working on all this year, will be given to the women patients at the party.

Next meeting of the Auxiliary will be held Wednesday, April 13, at 8 p.m. in the IOOF hall.

HOW YOU GET YOUR TELEPHONE ADDRESS

Your number guides a call to you from across the nation almost as quickly as you can walk next door

2. Picking your number is a job for trained people. From their charts they find an available pair of wires in a cable to your neighborhood. The volume of calls carried by the central office equipment serving your number is often checked to see if it has the capacity to handle added calls. This is part of our job of making telephone service reliable and efficient.

4. A lot of new numbers have been added in the past few years. For today there are twice as many telephones in use on the Coast as ten years ago. All these new telephones make yours more valuable. You can reach more people... more can reach you. Yet rates remain low. A few pennies still buy a call—a real value in these days of high prices.

1. Your voice highway—a pair of tiny wires—is labeled with your telephone number at this central office distributing frame. From here, the wires lead out of the office, through cables, to your telephone. They also go the other way—on into a special section of complex equipment that has the specific job of handling your calls.

3. Someone calls your number... and, in a matter of moments, you pick up your receiver to answer. Perhaps the call is from just across the street. Perhaps it comes half-way around the earth. But your number guided it to your telephone... and no other. Seems almost like magic when you think of it... another of the little things that add up to good telephone service for you.

SPOTLIGHTING SPORTS

By
MARV SCARPER

Many an athlete at Campbell received quite a surprise when he was told of his exponents under the new CIW classifications. Campbell really will have a lot of varsity men next year.

It really was rookies' day at the Live Oak game as John Perata in his first time at bat banged out a single and drove in a run while Duane Burrows sacrificed and drove in two runs to spark the Buc victory. Nick Tersigni had the honor of being the first player to hit a home run in SCVAL play.

Campbell's baseball team got off to a fine start against Live Oak. If the boys can keep it up we may have the SCVAL baseball champs at Campbell in 1949. A little more support by the townspeople really would be appreciated by the baseball squad. So if you haven't anything to do Tuesday or Thursday afternoons, wander down to the high school diamond and watch our boys do their stuff.

Left hander John Oldham got off to a good start in the race for SCVAL pitching honors last week by turning in a stellar performance against the Live Oak squad. Oldham relieved Frank Lobrovich who ran into trouble at the start of the fourth inning and pitched one hit ball for the remaining four innings. Oldham faced 13 batters, struck out nine, walked one and allowed one hit. Only two men reached first base for the Acorns and both died on the bases as Oldham put their team mates down with no trouble at all.

Track season starts today with Campbell's cindermen traveling to Mt. View in their first dual meet. The cinder team will hold one dual meet a week, ending their season with the SCVAL finals at Fremont May 27.

Highlight of the entire season will be the San Jose 20-30 Relays. Last year Campbell ended second in the class B division. This year it will be a better situation as last year the Relays were held on Saturday while the SCVAL finals were held the night before. This put the SCVAL athletes at a disadvantage and allowed schools from San Francisco to carry home many honors.

Outstanding athlete in the year's games was Ollie Matson, who later won nationwide recognition by setting a new national record for the 440 yards and running second to world champ Herb McKenley in the PAA meet. Matson is one of the greatest runners to come out of northern California since the immortal Hal Davis of California. Davis, by the way, was a Live Oak student and holds both class A and class B SCVAL records for the 100 and 220 yards dashes.

Again we say if you want to see the best aggregation of prep athletes next to the state meet, come to the San Jose 20-30 Relays April 16 in the Spartan field, San Jose.

SCHOOLS NEED BUILDINGS

California Must Build In Next Six Years Or Education Will Suffer

To provide schooling for its soaring population of boys and girls, California must build a billion dollars worth of classrooms in the next six years, and \$450 million of the cost must be financed by the state, or children in 400 money-poor districts will be educationally short-handed.

This was among the challenging conclusions contained in a report by the Cooperative Committee on School Finance after a year-long statewide survey sponsored by the California Teachers Association and the State Department of Education. The report was made public today by Arthur F. Corey, state executive secretary of the teachers association.

Overtime war-period work by the Stork and "one of the most phenomenal migrations in all history" were credited by the report with responsibility for an

estimated school population increase of 1,000,000 by 1960. Of these, the committee predicted, more than 900,000 will attend public schools, bringing total state school enrollments to 2,895,200 in kindergarten through twelfth grade in 1960.

The committee declared its studies showed that building needs to provide classrooms for the advancing army of small-fry "will

require an estimated expenditure of a billion dollars by 1955."

There are approximately 400 school districts in areas of exceptional growth which, though bonded to legal capacity, would still lack \$450 million of the amount needed to discontinue or avoid half-day schooling for their children, the report added.

Recommendations made by the committee call for a \$75 million appropriation by the Legislature to meet urgent needs this year, and a state bond issue of \$375 million, both of these amounts to provide a revolving fund to be allocated for long-time loans to needy school districts.

"This amount will meet only the minimum needs to avoid rationing education to the children of California, and will not provide the more luxurious special facilities all schools would like to include," committee members said.

The committee which conducted the school survey was composed of educational and non-educational leaders throughout the state, and directed by two nationally-recognized experts, Dr. John K. Norton, Teachers College, Columbia University, and Dr. Eugene S. Lawler, Northwestern University.

Fremont Wins Track Opener; Bucs Take Fourth

The Santa Clara Valley Athletic league cinder season opened Wednesday at Sunnyvale with Fremont High school capturing first place with 42 points. Campbell trackmen took fourth with 15 points. It was the first annual Fremont High school relays.

Finishing second was Santa Clara High school with 38 points, Washington Union High of Centerville was third with 15, Campbell fourth, and Mountain View fifth with 14.

Fremont took down first places in all six varsity division events. Santa Clara High won six first places in B, C and D divisions.

Fremont's 880 relay team composed of Vic Fitham, Chet Gonzales, Henry Martin and Duane Adams missed tying the SCVAL record for that event by four-tenths of a second, negotiating the distance in 1:33.9.

Property Taxes Show Increase Over Last Year

Property taxes throughout Santa Clara county this year are 22 per cent higher than they were last year, California Taxpayers' association reported today.

Taxes levied by the county, cities, schools, and special districts in the county for 1948-49 total \$15,822,876 while the levy for 1947-48 was \$13,008,345.

Property levy for the county itself this year totals \$5,620,371 up 24 per cent over the \$4,536,700 levy for 1947-48.

Property taxes for the cities in the county for 1948-49 amount to \$2,578,662 which is 13 per cent higher than the \$2,289,669 levied for 1947-48. This figure does not include city sales taxes or business licenses and fees which cities levy.

School district demands for property taxes in the county this year reached \$6,829,059—an increase of 21 per cent over the \$5,630,422 levy for 1947-48.

Levies for special districts in the county for 1948-49 total \$794,784, 44 per cent more than the \$551,554 levy for 1947-48.

There are approximately 400 school districts in areas of exceptional growth which, though bonded to legal capacity, would still lack \$450 million of the amount needed to discontinue or avoid half-day schooling for their children, the report added.

Recommendations made by the committee call for a \$75 million appropriation by the Legislature to meet urgent needs this year, and a state bond issue of \$375 million, both of these amounts to provide a revolving fund to be allocated for long-time loans to needy school districts.

THE CAMPBELL PRESS SPORTS

Bucs Drop SCVAL Ballgame To 'Cats

The Bucs of Campbell High suffered a defeat at the hand of the Los Gatos nine in a thriller Santa Clara Athletic league contest on the Wildcat diamond. Andy Lockwood, of Los Gatos, was the winning hurler managing to stop with Bucs with a mere five hits. Final score was 4-3.

The "big game" saw two homers, one by Bill Viall and one by Bob Spellman. However Spellman failed to touch third base on his trip around the bags and was declared out.

Pitchers for Campbell were Walters, Lobrovich and Oldham with Frietas. For Los Gatos it was Lockwood and Bastovan.

Meets At Stanford For Seal Report

Thirty-one board and committee members of the Santa Clara County Tuberculosis Association met at dinner last week at the Stanford Union, Stanford University. Dr. Gerald Scarborough, president, presided.

Seal Sale report as of February 28, 1949 showed a total for the 1948 Christmas Seal Sale of \$53,027.76 as compared to \$44,711.13 the previous year, a 20% increase.

Louis Olsen, Palo Alto health officer, and a long-standing member of the association's case-finding committee was chief speaker. He presented some of the highlights of case-finding. Olsen pointed out that although such measures as quarantine, pasteurization of milk, and immunization by the use of BCG vaccine in tuberculosis, are used, the real problem of control lies still in the discovery of the case of tuberculosis.

He traced briefly the steps taken to find the hidden case of tuberculosis. 1. physical examination which might prove to be too late if symptoms have developed to identify the case. Most cases of this disease are already progressive by the time definite symptoms appear, he said. 2. The tuberculin test followed by X-raying of positive reactors; and 3. the development of the miniature X-ray which has made possible the examination of thousands of individuals in order to find tuberculosis in its early stages.

League Officials Extend Ballgames Into Spring Season

Valley Winter League officials will extend their season into the Spring by playing out the schedule which has been curtailed by inclement weather it was announced this week. Leading the league is Pete's Chicago club with five second half victories and only three weeks remaining on the schedule. There is a four team tie for second place, each club two games behind the leader.

In Campbell Sunday the Maderis Food Center will play host to the San Jose Oldtimers while the local San Tomas Firemen nine travel to Fremont high to encounter the first place team, Pete's Chicago club. Maderis is in fourth place in league standing while George Flood's Firemen are holding down seventh place duties. The food boys have won three and lost two and the Firemen nine have taken two while dropping three.

San Jose Plans For 7th Annual Rodeo June 4-5

Plans for the Seventh Annual San Jose Rodeo, sponsored by the Santa Clara County Sheriff's Posse and to be held on June 4 and 5, rapidly took shape at a meeting of the Posse last Friday night, it was announced by Charles M. O'Brien Jr., general chairman of the Rodeo.

Expanding the Rodeo program to two days was decided upon because of the great popularity of last year's show. In spite of a heavy downpour and every possible effort to spread the word of its postponement, thousands of people came out to the Posse grounds on Altam Rock avenue only to learn it was to go on the next day.

It is expected that the week preceding the Rodeo weekend will again be proclaimed San Jose Rodeo Week, and the many activities of the Rodeo weekend itself will be known as the Rodeo Fiesta. The big Rodeo Parade Friday night, featuring the contestants, the Sheriff's Posse and various riding groups, will wind up at Cedar Brook Park, at 12th and Keyes, for the crowning of the Rodeo Queen.

Then follows a big free Rodeo dance, with a floor show, vaudeville acts, strolling caballeros and amusement games.

The San Jose Junior Chamber of Commerce, under President Bob Lindsay's guidance, is also planning many other features to keep up the Rodeo Week spirit.

Harry Rowell's Ranches, at Hayward and Livermore, is again furnishing the stock for the Rodeo proper. Since it will be, by far, the biggest Rodeo ever to come to San Jose, Saturday's show—starting at 1:30 p.m.—will consist mainly of preliminary contests for the finals on Sunday. In addition to these acts will be many comedy features and special events. Saturday's show will be mainly for the children, with specially priced tickets.

Saturday night the Rodeo Fiesta and Dance, preceded by a mammoth Western Barbecue, will again take place, and Sunday afternoon is the Big Show at the Posse Grounds. There will be 4000 reserved seats, plus general admission at reduced prices.

Joe Carli, chairman of the Car Raffle, has procured a specially built Studebaker to be given away on the final day.

Bob Keeler scored 66 goals for San Jose State's water polo team this year; an all-time Spartan record.

State income taxes are due in California by April 15. All single persons who earned a net of \$3000

'Priscilla The Pig' Delights Over 3000 Curious Spectators During Open House At Campbell Feed & Supply Co.

Over 3000 curious spectators packed into the display rooms of the Campbell Feed and Supply company on Campbell avenue Saturday, March 26, to view the antics of "Priscilla the Pig" and take part in the many entertaining features and prizes that were awarded at the all-day show.

"Priscilla" the fastidious pig, lived up to expectations and easily romped through her tricks 11 times, to the delight of youngsters and oldsters alike. The trained pig, the product of General Mills and Dr. Keller Breland, professor of Psychology of the University of Minnesota, entirely unconcerned at her popularity and admiring audience, pushed a vacuum cleaner around her pig pen, ate a snack from a table set with a bowl and silverware, and tossed dirty socks into a hamper. As if this weren't convincing enough evidence of her high "Oink-Q" Priscilla managed to answer ques-

tions with the aid of an electrically lighted flashboard. Climax of the evening came when the grand prize of 50 straight run New Hampshire Winchester chicks were awarded to Mrs. E. F. Ballott, 219 1/2 E. Campbell avenue. Secretary of the Chamber of Commerce, Forrest Reese, made the presentation to Mrs. Ballott.

Other prizes, ranging from garden tools to poultry equipment were awarded to visitors every hour on the hour all through the day and evening.

One of the many distinguished visitors at the Open House was Dr. E. Bechtel, research director of Larro Research Farm, Detroit, Michigan. On hand to greet him were Andy and Jim Santana, owners of the Campbell Feed and Supply and hosts for the big day.

Art Adams, representative of Lederle laboratories was also present to show movies and give a short talk on Newcastle vaccine.

He answered the many questions of poultrymen who attended the affair.

"It was wonderful to have such a turn out," said Andy Santana. "We hoped for a good day and a large crowd and got both. Everyone seemed to enjoy themselves and 'Priscilla' was the real star of the day."

People flocked in from every corner of Campbell and vicinity to watch the talented pig and take part in the show. Refreshments consisting of coffee and doughnuts were served to all of the guests during the 11 hours of Open House. The Campbell Feed and Supply company, formerly Nelson Grain, were the first-time sponsors of any such an Open House in Campbell.

"Priscilla" will continue to tour towns in California as a representative of Larro Products, made by General Mills. She left Campbell full of admirers and many agreed she was really making history for her race.

Bellarmine College Prep Players AFA To Stage 'Command Decision' For Production In Early May

In what will be one of the outstanding stage productions ever presented by the Bellarmine College Preparatory players of Santa Clara, the Mascula Dramatic society has gone into rehearsal for an early May staging of the great Broadway hit "Command Decision," a play in three acts by William Wister Haines.

"Decision" will be a joint effort of Bellarmine and the newly-formed squadron in San Jose of the Air Force association. Under the sponsorship of the AFA, the play will

have the technical advice of members of the San Jose squadron who saw action over Germany with the 8th Air Force. The action of this stirring, thrill-packed drama is centered about officers and men of the 8th Air Force and their wartime exploits. The plot concerns the problem of a conscientious commanding general forced to keep sending his men against a strong target in Germany.

Coming as it does during the organizational phase of the San Jose squadron, the play's tribute to these wartime air force heroes will serve as a fitting vehicle for those who are endeavoring to "Keep the Gang Together," the motto of the Air Force association.

"Command Decision" is under the expert direction of Edward S. Romano of Campbell, who who will be remembered for his memorable production of "Campan" in 1947. Romano said that over 80 enthusiastic candidates are expressing an unusually keen interest in the play. The Mascula Players have a tradition of expert, professional production. Among the many reading for one of the 18 parts in the all-male cast are: Raymond Rath, William Romano Jr., Joseph Montgomery, John Kyle, Michael Slakey, Vincent Tal-

AFA ORGANIZES SQUADRON

Barrett Of Campbell To Serve As First Commander Of San Jose Group

Air Force Veterans from all over Santa Clara county met in Dunne Hall of the Civic Auditorium in San Jose Thursday night and organized the San Jose Squadron of the Air Force Association.

Bernard Barrett, Campbell, was elected commander. Barrett is a former Air Force Photo-Intelligence officer of the Air Transport Command in Africa. Other officers include Al Barr, Saratoga, vice-commander; Glen Edick, Campbell, Secretary; Lee Jones, Treasurer; Carl Whipple, San Jose, Sergeant-at-arms, and Ted Stiner, William J. French and Joe Marchisella, all of San Jose, councilmen.

Campbell charter members of the San Jose Squadron include, in addition to Barrett, Glen A. Weidlich, Wallace E. Benech, Edward R. Romano, Leo M. Park, Glen Edick, Clarence Fagelde Jr.

Barrett introduced Tom Stack, commander of the California Wing of AFA who outlined the aims of the Association.

Organized nationally three years ago on a non-partisan, non-political basis, with Jimmy Doolittle as the first national AFA president, Stack said that the association's principle objectives are to preserve the comradeship of those who served in the U. S. Air Force; to promote the continued progress of aviation; and to strive for the maintenance of American air power to defend the peace.

A feature of Thursday's meeting was the showing of the sound-color motion picture "Ames in Action," the story of the field of research engaged in by the Ames Aeronautical laboratory, Moffett Field. Barrett introduced the Squadron's special guest of the evening, Smith J. DeFrance, World War I pilot and director of the Ames laboratory. DeFrance's introduction to the motion picture touched on the background history of the National Advisory Committee for Aeronautics and its efforts at making safe the aircraft of the future. The Ames Laboratory is one of the three government installations in the nation engaged in aeronautical research. The other two laboratories are Langley Field, Virginia and Cleveland, Ohio.

At the request of many AFA members in the San Jose area and other valley cities, plans were laid for the formation of the San Jose Squadron and under the organizational guidance of Barrett working through the California Wing and its Commander, Tom Stack, Thursday night's attendance indicated the future success and increased growth of the squadron.

Largest of the veterans' organizations to come out of World War II, membership in California has passed the 20,000 mark, with full-fledged squadrons in 30 cities. During the past four months California jumped into second place, 300 members behind first place New York.

Women Will Take 'Pilgrimage' After Local Meeting

The annual "Pilgrimage" of the Campbell Country Woman's club will be held Monday April 4. Members are to meet in the library building promptly at 11:30 a.m. for a short but important business meeting, according to Mrs. F. A. Jacobson, president.

After the meeting, members will drive to Marie Antoinette's in Menlo Park where luncheon is to be served at 1 p.m. Visits then will be made to Allied Arts, Hoover Memorial Library and Tower Garden and Patio shop and Cornell's Furniture store.

Mrs. Franklin Blaine is chairman for the day and members working with her are: Mrs. G. E. Farley, Mrs. G. E. Jeffers, Mrs. Rex Saunders, Mrs. E. P. Brandenberg and Mrs. Berth O'Brien.

Governor Warren Proclaims April Month for Control

Governor Earl Warren Tuesday formally proclaimed April "Cancer Control Month" and called on all Californians to "lend their full support" to the American Cancer Society's 1949 educational and fund raising campaign.

In his proclamation, the governor warned that cancer fatalities were still on the increase, but struck a note of optimism concerning the vast research program sponsored by the American Cancer Society to track down causes and possible cure of cancer.

The month-long cancer drive, which begins April 1, will seek to raise \$1,050,253 as California's share of a nationwide goal of \$14,500,000 to combat cancer on the three levels of research, education and service.

The cancer proclamation was signed in a brief ceremony at the governor's office attended by Mrs. W. Farmer Fuller, Jr., San Mateo, State Commander of the American Cancer Society's California Division, and Superior Judge B. F. Van Dyke, president of the Sacramento branch.

Describing the Society's three-point program as a "great effort to combat and control cancer," Governor Warren emphasized more than 14,000 Californians died last year as a result of cancer.

"Despite this mounting death toll, however, we have reason to be optimistic," he said. "During the past four years, funds contributed by the public to the American Cancer Society have enabled a large group of scientists to devote their full time to the problems of conquering this merciless killer."

"Many of these fine scientists are working in California universities on cancer research projects financed by the society. Through energetic efforts of this kind, the fight is on the way to being won."

Students Learn Physiology In Life Science Class

All sophomore students at the Campbell Union High school are required to take a semester course in life science, reveals Miss Beth Childs, science teacher at the high school. Physiology is the subject around which the semester course is built.

The course is designed to give a knowledge of the human body. Students learn the name, location, function and care of organs. They supplement their studies by the use of diagrams, microscopes, preserved specimens and "George" the life-like model. The course is introduced by a study of the fundamental differences between the plants and animals.

Hygiene for everyday living, appreciation for natural and human resources, everyday uses of biology and the scientific approach to solving problems are other phases in science which are introduced into the course.

When a bachelor gets a Christmas present, he knows that he won't have to pay for it after January 1.

U. S. Army Opens Intensive Drive For Reserve Corps

An intensive campaign to build up its Organized Reserve Corps, which represents the largest single component of the Army of the United States, is being conducted this month by the U. S. Army, it was announced today by Capt. E. N. "Nick" Lahti, in charge of the local Army Recruiting Station.

Pointing out that the Reserve Corps is an invaluable source of trained military leaders in case of a national emergency, Capt. Lahti explained that the drive is aimed primarily at obtaining the reenlistment of former members of the Enlisted Reserve Corps, many of whom are now due for discharge. Any such men who received their discharge from the Reserve after September 1, 1948, may now be reenlisted in the grade held at the time of their discharge, and will not be required to take a physical examination, he added.

Among the benefits now enjoyed by men in Reserve status, Capt. Lahti listed the following: they keep their highest rank and are free to advance despite the fact that they are civilians 99 per cent of the time; they accumulate credits toward non-disability retirement at the age of 60 after 20 years' active participation; they may, if they wish, be selected to take advantage of 15- to 90-day tours of active duty in interesting, important jobs with full pay and allowances; they may, if enlisted, obtain a commission through application, direct appointment, OCS and many other ways; they are privileged to attend certain Service schools of their choice or to take extension courses; their plant or firm may have formed what is called an "Affiliated Unit" and by joining that they serve with the same men with whom they work every day.

Capt. Lahti urged both former ERC men and others interested in joining for the first time to visit the local recruiting station and investigate this present opportunity.

Past Pocahontas Group Meets To Discuss Trip Plans

The Past Pocahontas club of Netops Council met for the first time since September at the home of Mrs. Edith Anderson Monday to lay plans for raising funds for the Great Council trip to Sacramento in August.

Also discussed at the meeting was the possibility of sponsoring a rummage sale. No date was set for the sale. The group will meet again Monday evening at Mrs. Anderson's home to work on the Past Pocahontas jackets which were started at last Monday's meeting.

Mrs. F. Murphy To Preside at Club Meeting at Union

Mrs. Frances Murphy, president of the Union Home and School club, will preside when the group meets today at 2:15 p.m. in the Union Grammar school. This will be the first meeting of the women in the new school building.

"Three local improvement groups are planning several projects to benefit the school," said Principal Kenneth McDonnell. "The Union District Improvement club, the Union-Cambrian Improvement association and the Loma Vista Improvement group are all aiding in putting the completing touches and cleaning up at the new building."

GIRL SCOUT News

Girl Scouts of Campbell, Troop 22, will join with other scouts throughout the nation in the annual cookie sale, from April 4 through 9. Funds collected from the sales will be used to replenish the treasury deficit. Scout advisor is Mrs. Henry Parysek.

Girls from Troop 22 will go from house to house to sell their scout cookies. The entire area of Campbell will be covered by this procedure.

"We're looking forward to each of the 16 girls in our troop to sell 100 boxes of cookies apiece. If we can do this the cookie sale will be a complete success this year."

The local troop will receive a small percentage of the sale of each box of cookies. Families in Campbell whose homes are missed are urged by Mrs. Parysek to call her at Campbell 2065 and a box of cookies will be immediately dispatched to that home.

Twenty Boys From Santa Clara County Enter April Show

Twenty Santa Clara county boys, two of them from Campbell, have entered the greased pig contest in the 1949 Grand National Junior Livestock Exposition and Arena show which will be held in the San Francisco-San Mateo Cow Palace April 9 to 14 inclusive.

Campbell boys who will compete in the novel contest are Bruce Abernathy and Richard Farnham.

More than 1200 Future Farmers of America and 4-H club boys and girls are expected to trail more than 4,000 head of beef and dairy cattle, sheep and swine into the huge pavilion for six days of exhibition, judging, demonstration and auction sales.

This year's arena show promises to be the most spectacular in the history of the Junior Grand National and is being produced with the view in mind of bringing high entertainment to adults as well as youngsters. Matinee and evening performances will be held over the opening weekend and the program will be highlighted by the bonejarring thrills of rodeo.

To Sponsor '49er Dance April 16

Tickets are now available for the 49'er costume dance sponsored by the Los Gatos Gymkhana association according to Budd Levenberg, local dance committee member. The dance will be held Saturday, April 16, at Alpine Park.

A lot of fellows have lost their shirts because they put too much on the cuff.

CAMBRIAN NEWS

NEWS BRIEFS...FEATURES FROM CAMBRIAN SCHOOL

(Editor's note: The school columns running in the Campbell Press have become popular items with a great many readers. Now a new column, with bits of news and interesting features, from the Cambrian district has asked for its place in the paper. School children in the eighth grade at the Cambrian school have turned reporters to gather the following information for the readers of the Press. To them goes the credit for gathering, sorting, and writing the following school column. Principal at the grammar school is D. M. Bagby.)

E. A. Hathaway and Co. have started work on the new Cambrian school addition this week. They already have the grading and the footings done. They are getting ready to start the steel work. The project has been fenced off to keep the children out. There are six rooms and a master system of lavatories. Work is progressing rapidly.

Cambrian school will have adult folk dancing open to the public every Monday from 7:30 until 9:30 p.m. Campbell Union High School, through its adult night school program, will provide a teacher. She will be Miss Ruby Howe. All types of dancing will be taught and enjoyed.

The Boy Scouts of Troop 34 are going to be very busy in April. Right now they are participating in the Scout Circus in the Civic auditorium, San Jose. Then they plan to have an obstacle race and will take part in the district camporee up at the scout ranch this month.

The Cub Scouts are working in the Scout Circus too. They will participate as Westerners in the show. On March 25 the cubs had a family dinner at the school cafeteria.

The Girl Scouts, Troop 77 of Cambrian School are all trying for second class badges. Right now they are all working on a project to train dogs. Mrs. Burns is their leader.

The girls are going to give

a pageant in May at the Civic auditorium in San Jose.

Last week the Campfire girls made many cookies for the Home and School club at Cambrian school and also entertained them. Mrs. Randolph is in charge of the eight Campfire girls.

The Cambrian 4-H club started about four months ago and on March 25 held a skating party in San Jose. They plan to have a livestock exhibit May 1. At present there are about 35 members in the club.

The seventh grade showed Mrs. Jones' kindergarten a movie on snake bites. The kindergarten in return is going to show them a movie on "Little Red Riding Hood." They made the pictures themselves and are going to explain the picture as they show it.

Mrs. Tally's first grade is studying the home and family duties. They are learning what the rooms of the house are used for and what they are furnished with. They are learning to sing Easter songs and read Easter stories.

Mrs. Mead's first and second grade received new readers entitled "In the City and Country." In the future the class is going to study nature and learn about their animal friends. They heard Uncle Remus records from the motion picture "Melody Time."

The second grade under Miss La Malfa is studying transportation by train. They have built a model of a town with a train running around it.

They are planning to take a trip to a train depot soon. On Friday the folk dancing club meets in the second grade room with Miss LaMalfa in charge.

The club is going to take a trip to San Jose State college on April 19. At the college the club will see the Spartan Spinners. They are under the direction of Mrs. Sarah Wilson, physical education instructor at the college.

California

The fourth grade class under the direction of Miss Merritt is studying about early California Indians. A few boys made adobe Indian homes which will be on exhibit for Public School Week. Miss Merritt has a canary named Sunny who is the class mascot.

Mrs. House, the sixth grade teacher, reports her class is studying a unit on Alaska. The class

has written to various parts of Alaska for their information. A few weeks ago they went on a field trip to the fire station across from Cambrian school.

Mrs. Pomeroy's fifth grade is working on many projects. They have just completed two murals on transportation.

Anthony Pedrazzi, Robert Kennedy and Gay Steindorf made a covered wagon and ox-

en. It will belong to the school.

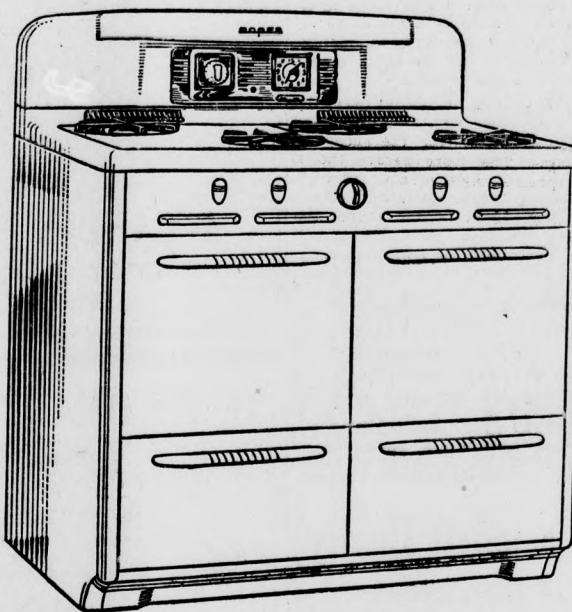

Almost every week they have one or more movies since their room can be changed to a dark room. They often change rooms with other classes so they can see movies, too.

The fifth grade has a stamp club. They meet weekly.

The eighth grade has been studying the United Nations. Each

person is saving booklets and flags on their country. They are written letters for their information on each country.

Successful Parenthood

BY
MRS. CATHERINE CONRAD EDWARDS
Associate Editor, Parents' Magazine

PARENTS are frequently told when having difficulty with an uncooperative child that the best way to win him to greater effort is to make him responsible for certain tasks. The theory is that he either does them and enjoys the benefits or neglects them and suffers the natural consequences.

Now this is in many respects a good theory, but unfortunately a lot of parents find that it doesn't work. There are two basic reasons for these failures.

One, the child may be too young for the chosen task. Feeding pets, for instance, may have dire consequences if handed over to a child under 10 without supervision.

The other mistake parents make is in giving a child responsibility in cases where what they really want from him is obedience. We shouldn't, for example, give a boy of any age responsibility for keeping snow off the sidewalks in winter or the grass cut in summer. If these are his jobs we should expect obedience in getting them done, for the consequences of their being left undone would be far more unpleasant for the rest of the family than for the boy himself.

Icy sidewalks to skate on clear to the door and tall waving grass to run through in summer would please most boys tremendously. They probably think your ideas on the subject just grownup nonsense anyway, with the sole purpose of robbing them of

The big test is for a husband to stay warm-hearted with cold meals.

YOUR PHOTOGRAPHY

By BERNARD BARRETT

You, as an amateur photographer, and the millions of others like you, are an avid reader of photo magazines, columns and any other information on taking pictures that you can lay your hands

on. Their leisure! Thus the penalty for disobedience here would have to be denying the child something he prizes—such as a fishing trip or Dad's participation in a ball game—because a smooth lawn and clean sidewalks mean practically nothing in his life.

But you can teach a sense of responsibility by having a child take over a project in which he is interested—such as a picnic for his pals—and not stepping in when his interest flags and doing all the work yourself. And you should give him the responsibility, as soon as he is old enough, of caring for his toys, his books, his collection of stamps or stones or what not. If they are lost or broken as a result of his carelessness he should be left to do without.

On the other hand, you can't give a child responsibility for the care of his clothes, for if he loses cap or gloves in cold weather you wouldn't make him go without replacements at the risk of his health. You can, of course, try to train him through pride in his appearance to value his clothes and to treat them accordingly.

What we are saying is that training, obedience and responsibility are three different aspects of discipline and knowing when to use one or the other comes with experience and thinking things through before you start.

upon. That's as it should be, otherwise your hobby will cease to hold your interest. And that brings me to this problem of trying to give you the information you most desire.

In last week's column, a discussion was started on exposure meters and the relative light values as interpreted into exposure values by the wonderful instrument. In order to keep the discussion clear and not too complicated a plane, this will be the last on the mechanics of the meter. (This is due to the fact that spring is here, the skies are blue, rich, photogenic clouds are appearing on the horizon, the bees are beeing and the birds...well,

they're doing whatever birds do in the spring. Millions of blossoms are poking their petals out from their winter's sleep. In other words not so poetic, picture taking time outdoors is here again and there's little time for technical theory.)

However, a point or two: The exposure meter was conceived to solve the problems of exposure by measuring the reflected light from the scene. But it is not enough to measure this kind of light. The meter must be selective and measure only that portion of reflected light as seen by the camera lens. Ordinarily, a camera lens takes in a scene through an angle of 30 to 60 degrees which is commonly referred to as the acceptance angle of the camera.

By placing a baffle over the photoelectric cell, the reflected light is restricted. This has the effect of reducing the acceptance angle. The more nearly the acceptance angle equals that of the principal part of the scene, the more accurate the exposure will be. Therefore, the smaller the angle, the more directional the meter.

ter. This means that the exact area being photographed is the only part of the general scene having its reflected light measured by the exposure meter. Without this restrictive medium, incident light from the surrounding area would be gathered by the photoelectric cell, giving a greater light value reading that is actually the case.

In summary, a good general rule is to select an exposure meter, if you are planning on buying one, that has an acceptance angle of 90 degrees or less. Those having a larger angle will only give run-of-the-mill snapshots.

Finally, keep in mind these three points: exposure factors are concerned with reflected light; for

accurate exposure control, an instrument independent of the human eye is required. The photo-

electric type of meter fills this need; use the meter intelligently—it won't think for you.

Three Receive Tenderfoot Rates By Scoutmaster

At an impressive ceremony held
March 22 at the Scout Hall of the
Campbell Congregational church,
Charles Cox, Myra Martin and
John Silberbauer were inducted
into the troop and presented with
their tenderfoot insignia and reg-
istration certificates by Scout-
master Larry Cowper. Assisting
in the candlelight ceremony were
junior assistant Scoutmaster Ger-
ald Gilliam and patrol leaders
Gene and Hubert Vargas.

The remainder of the evening
was devoted to preparation and
practice work for participation
in the forthcoming Scout Circus
to be held in the Civic Auditor-

Mrs. Flora Crow Passes Away Here

Funeral services were held on
Tuesday for Mrs. Flora Crow of
Campbell at the Congregational
church. Mrs. Crow, age 89, passed
away at her home last Saturday.
The Rev. Corwin Olds officiated.

Mrs. Crow was a member of
the Country Woman's club and
the Congregational church. She
was a native of Wisconsin.

Surviving Mrs. Crow are her
daughters, Miss Ruby Crow of
Campbell; Mrs. Beulah Covey of
Redwood Estates; Mrs. Mabel
Trigwell of Capitola and Clinton
Crow of Glendale. She also leaves
four grandchildren and one great-
grandchild.

Funeral arrangements were
made by the Rutherford Funeral
Home, Campbell. Inurnment was
in Oak Hill Memorial Park.

Funeral services were held on
Tuesday in the Rutherford Fun-
eral Home for Mrs. Christine
Brown, 77, of San Jose, who passed
away Saturday. She is the
mother of Edward Brown of
Campbell.

Surviving Mrs. Brown, besides
her son, are her children, Mrs.
Mary Nelson, Mrs. Florence Chris-
tian, Mrs. Rose Christian and Ver-
non Brown, all of San Jose; Er-
nest Brown of La Honda; Mrs.
Maud Guldberg of San Mateo;
Clarence Brown of Idaho. In addi-
tion she leaves her sister, Mrs.
Agnes Terrill, San Jose; Ernest
Williams, San Luis Obispo; 25
grandchildren and 14 great-grand-
children. Mrs. Brown was a native
of Wales.

Interment was in Santa Clara
City cemetery.

School News

From
SAN TOMASBy VIRGINIA JOHNSTONE
and SUE COFFIN

San Tomas school is putting a wire fence around its school grounds. It will extend from the road to the orchard on both sides. There will be two gates, one on either side. —Joanne Minehart.

At San Tomas school today there will be a kite contest. All kites must be home made. There will be eight different kites. A prize will be given for the most original and unusual kite as well as for the largest and the smallest kite. Prizes will also be given for the first kite in the air and the highest flying kite. There will be a messenger race and a hundred yard dash. All kites will be flown on one hundred yards of string.

Miss Taix, the sixth grade teacher, has organized this kite contest. There will be four judges for the contest. Only the upper grades will take part in this event and great interest is being shown by all entrants.

The card party held at the San Tomas school was a great success. One hundred people attended and \$100 was made. Oscar Walters ran the Whist game and Mr. Swan the Pinochle game. Mrs. Dale Lloyd was chairman and was assisted by Mesdames Merle Murty, Raymond Bettlinger, Ben H. Mabie, Donald F. Hartman, Charles Long, Dwight Nesbit, and Mr. and Mrs. Lastra.

The money earned from the card party will be used to buy equipment for the nurse's office. Mrs. Garret, our school nurse, will be very pleased. —Marilyn Perata.

San Tomas Firemen Aid In Car Blaze Of Fireman's Car

County Central Fire department and San Tomas volunteer firemen were called out at 5 p.m. Monday to extinguish a fire in the rear of a delivery car. The automobile belonged to J. C. Stockbridge, 757 E. Lovell street, circulation agent for the San Jose Mercury Herald and Evening News.

Stockbridge, a member of the San Tomas Volunteer Firemen, called for aid when the back of his car, carrying approximately 200 copies of the evening newspaper, turned into a roaring blaze. Assistant Chief Fred Lühring said the cause of the fire could not be immediately determined but it was believed a cigarette was responsible. He said the car was a complete loss.

Stu Inman and Bob Crowe, stars of the San Jose State basketball team, have both turned back this spring. Both are good quartermen.

Chairman Thanks Contributors To Building Fund

"We would like to thank the volunteer workers, members of the clergy, and the many contributors in Campbell for their efforts in behalf of the Convent of the Good Shepherd Building Fund Appeal," said Andrew J. Lynch, general chairman, in a letter to the Campbell Press yesterday.

To date the Building Fund Appeal has reached approximately \$600,000 towards the goal sum of \$750,000. The total will be reached within the next few weeks, the chairman believes.

Church Of Christ To Open Series Starting April 7

The Church of Christ, Campbell, will begin a series of services starting Thursday, April 7, at 7:30 p.m. The meetings will continue through April 17. Cliff Winters, the guest speaker, will talk on "The Uniqueness of Christ," which will be used as the theme for the entire meeting.

A special invitation has been sent out by the church for all to attend and become acquainted with the church "where only the Bible is taught, believed and obeyed." Ray Kirk will be in charge of the singing.

Guild Honors Past Presidents With Pin Presentations

Three past presidents of St. Lucy's Evening Guild were presented with gold pins at the third anniversary celebration held last week at Lou's Village. Honored were Mrs. Harry Freitas, first president, Mrs. Leonard Dardanello, and Mrs. Larry Periera.

Camellia corsages were given to each member of the Guild for the afternoon celebration. The camellias were given to the organization by Mrs. Vincent Lovoi of Parr avenue.

New president of the organization will be Mrs. Henry Parysek who will take office after installation ceremonies Thursday, April 7 in the Parish Hall. Other officers who will also be installed are Mrs. Louise Speagia, vice-president; Mrs. Nina Olmetti, secretary; Mrs. Jack Wilson, treasurer; Mrs. Joseph Anello, publicity committee; Mrs. J. Albo, sunshine committee, and Mrs. Periera, parliamentarian.

Hostesses for the next meeting April 7 will be Mrs. P. Piraulo and her daughter, Miss Aileen Piraulo. The meeting will start at 8 p.m.

"I must get out of these wet clothes and into a dry martini," Robert Benchley.

NEWS OF

San Tomas

News items of interest to San Tomas may be mailed to the Campbell Press office P. O. Box 757 or telephone Campbell 3443.

Committee Invites Public To Meeting On Proposition 4

A free public mass meeting of the Citizens' Committee to defeat the attempted repeal of Proposition 4 will be held Thursday, April 7, at 2 p.m. in the Campbell library room.

Plans to stop the repeal will be discussed at the meeting, as will the campaign to "Recall Warren to Save Pensions," and the latest developments in the activities of the State Department of Social Welfare. Pensioners and all other persons interested in "Good social welfare legislation generally" are urged to attend.

Three Campbell Youths To Exhibit Livestock In City

Three Campbell youths are among the 55 boys and girls from Santa Clara county, members of the 4-H clubs and Future Farmers of America who entered livestock this week in the 1949 Grand National Junior Livestock Exposition and Arena show which will be held in the San Francisco-San Mateo Cow Palace April 9-14 inclusive.

More than 1200 Future Farmers of America and 4-H boys and girls are expected to trail more than 4000 head of beef and dairy cattle, sheep and swine into the huge pavilion for six days of exhibition, judging, demonstrations and auction sales.

Local youths who entered are Bruce Abernathy, Melvin Blue, and Richard Farnham. Abernathy will exhibit two Poland China hogs, while Blue and Farnham will each show a Hampshire hog.

This year's arena show promises to be the most spectacular in the history of the Junior Grand National and is being produced with the view in mind of bringing high entertainment to adults as

All High School Students Eligible

All high school entrants who plan to submit an essay for the American Legion Auxiliary contest must turn in their composition to Mrs. Delsie Reynolds, Campbell Union High school English teacher, by April 8.

"Our Privileges and Responsibilities as Future Citizens" is the topic for the essay contest. Entries will be judged on subject matter, organization and correct usage. Each must be less than 500 words, and be written in long hand on class time.

well as youngsters. Matinee and evening performances will be held over the opening weekend and the program will be highlighted by the bonejarring thrills of rodeo.

Advance indications are that while beef animals will predominate in the cattle division, dairy animals will show a spectacular increase over the number mustered when dairy classes were first instituted in 1948. Preliminary checks indicate that there will be an increase of 84 per cent in these classes this year. The same sharp increase ratio will be shown in hog exhibits.

Porter Benson, member of the Board of Directors of No 1-A District Agricultural Association is this year's Junior Show chairman.

January 26, 1946, marked the 161st anniversary of the first settlement in Australia.

Dr. R. B. Whittaker To Speak Sunday At Picnic Supper

Dr. Robert B. Whittaker, former missionary to North China, will be the guest speaker at a picnic supper Sunday in the Congregational church parlor. Time of the supper is 6 p.m.

Dr. Whittaker will tell of what is being done by the Communists in China today. He will also highlight other events of interest. Because of the coming of the Communists the Whittakers were forced to leave their work and return to the United States.

Dr. Corwin Olds, pastor, invited all to attend the supper and program. Mrs. H. H. Goodell will lead the group in a song service.

Woman's Guild Will Meet April 7 For Concert Plans

The Woman's Guild of the Campbell Congregational church will meet in the church parlors Thursday, April 7, at 2 p.m. A full attendance is desired as plans are to be completed for the concert scheduled for May 18.

An interesting program has been planned according to publicity chairman Mrs. Ray Wood. Past presidents of the organization will give a complete history from its beginning to the present and incidental music will be played. Group 1 will act as hostesses.
